

Appendix 2. Workshop participants.

List of participants in workshop 1 - “*Capturing the functioning of social-ecological systems*”

Venue: University of Granada (Spain)

Dates: 18th – 20th November 2015

| Surname / name | Institution | Area of expertise |
|--------------------------|--|--|
| Alcaraz-Segura, Domingo | Universidad de Granada (Spain) | Remote sensing, ecosystem ecology, conservation biology |
| Blanco-Sacristán, Javier | Università degli Studi di Milano-Bicocca (Italy) | Remote sensing, ecosystem functioning |
| Berbery, Hugo | University of Maryland (USA) | Land surface-atmosphere interactions, climate system, water and energy budgets |
| Cabello, Javier | Universidad de Almería (Spain) | Sustainability, ecology and conservation, ecosystem functions and services |
| Castro, Antonio | Universidad de Almería (Spain) | Human-environment relationships, sustainability, social-ecological systems |
| Epstein, Howard | University of Virginia (USA) | Ecosystem functioning, vegetation dynamics, climate change, carbon cycling, carbon-water interactions, disturbances regime |
| Fernández, Néstor | German Centre for Integrative Biodiversity Research – iDiv (Germany) | Ecosystem functioning, biodiversity and conservation, ecological modelling, remote sensing |
| Jobbágy, Esteban | Universidad Nacional de San Luis (Argentina) | Ecosystem ecology, human control of ecosystem processes, ecohydrology |

| | | |
|--------------------------------|--|--|
| Lourenço, Patricia | Universidade de Évora (Portugal) | Ecosystem functioning, remote sensing, conservation biology |
| Oyonarte, Cecilio | Universidad de Almería (Spain) | Soil science, geochemistry, carbon dynamics, climate change |
| Pacheco-Romero, Manuel | Universidad de Almería (Spain) | Social-ecological systems, sustainability |
| Paruelo, José | Universidad de Buenos Aires (Argentina) | Ecosystem structure and functioning, ecological modelling, remote sensing, ecosystem services |
| Peñas, Julio | Universidad de Granada (Spain) | Conservation biology, biodiversity, plant ecology, biogeography |
| Pérez-Cazorla, Beatriz | Universidad de Almería (Spain) | Ecosystem functioning, remote sensing, conservation biology |
| Requena-Mullor, Juan Miguel | Boise State University (USA) | Ecological modelling, conservation biology, remote sensing |
| Reyes, Andrés | Universidad de Almería (Spain) | Ecosystem functioning, remote sensing, conservation biology |

List of participants in Workshop 2 - “*Towards the identification of Social-Ecological Functional Types*”

Venue: University of Buenos Aires (Argentina)

Dates: 6th - 11th February 2017

| Surname / name | Institution | Area of expertise |
|-------------------------|--|---|
| Aguiar, Sebastián | Universidad de Buenos Aires (Argentina) | Natural resource management, territorial planning, political ecology, sustainability |
| Alcaraz-Segura, Domingo | Universidad de Granada (Spain) | Remote sensing, ecosystem ecology, conservation biology |

| | | |
|--------------------------|--|--|
| Bagnato, Camilo | Universidad de Buenos Aires (Argentina) | Ecosystem functioning, remote sensing, territorial planning |
| Blanco-Sacristán, Javier | Università degli Studi di Milano-Bicocca (Italy) | Remote sensing, ecosystem functioning |
| Berbery, Hugo | University of Maryland (USA) | Land surface-atmosphere interactions, climate system, water and energy budgets |
| Cabello, Javier | Universidad de Almería (Spain) | Sustainability, ecology and conservation, ecosystem functions and services |
| Epstein, Howard | University of Virginia (USA) | Ecosystem functioning, vegetation dynamics, climate change, carbon cycling, carbon-water interactions, disturbances regime |
| Fernández, Néstor | German Centre for Integrative Biodiversity Research – iDiv (Germany) | Ecosystem functioning, biodiversity and conservation, ecological modelling, remote sensing |
| Gallego, Federico | Universidad de la República de Uruguay (Uruguay) | Sustainability, natural resource management, social-ecological systems, ecosystem services, territorial planning |
| Jobbágy, Esteban | Universidad Nacional de San Luis (Argentina) | Ecosystem ecology, human control of ecosystem processes, ecohydrology |
| Pacheco-Romero, Manuel | Universidad de Almería (Spain) | Social-ecological systems, sustainability |
| Paruelo, José | Universidad de Buenos Aires (Argentina) | Ecosystem structure and functioning, ecological modelling, remote sensing, ecosystem services |
| Peñas, Julio | Universidad de Granada (Spain) | Conservation biology, biodiversity, plant ecology, biogeography |

| | | |
|------------------------|---|--|
| Pérez-Cazorla, Beatriz | Universidad de Almería (Spain) | Ecosystem functioning, remote sensing, conservation biology |
| Piñeiro, Gervasio | Universidad de Buenos Aires (Argentina) | Biodiversity, ecosystem ecology, sustainability, natural resource management |
| Vallejos, María | Universidad de Buenos Aires (Argentina) | Sustainability, natural resource management, social-ecological systems, ecosystem services, territorial planning |
