

Appendix #2: Questions provided to stakeholders prior to interviews to guide discussions

1. Please describe what sector your organization works in: Agriculture, Water Resources Management, Fisheries, Natural Resources Management, Forestry, Human Health, Transportation, other?
2. To what extent does your organization consider the effects of a changing climate on the resources or issues of interest to your organization? What, if any, measures have you taken to prepare for or adapt to climate change impacts?
3. What are the greatest climate challenges you have observed that affect Madagascar?
4. To what extent have climate-related challenges (cyclones, heat waves, flooding, drought, wildfire, storm surge, etc.) affected your organization's ability to carry out its mission?
5. What climate information gaps do you see as critical for filling in order to better adapt to climate change?
6. Please send us any resources about your organization and/or projects that may be useful for us to read ahead of our meeting.
